

III. REMARKS

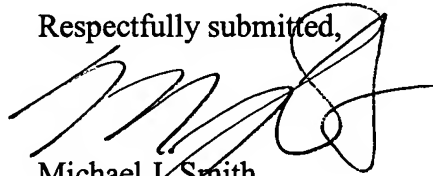

The present application is a continuation of U.S. Application No. 09/788,813 which issued January 13, 2004 as U.S. Patent No. 6,676,613. The current amendments and new claims 69-113 do not add new matter to the application and they are fully supported throughout the specification, and drawings. Entry of these amendments and new claims 69-113 is therefore respectfully requested.

IV. CONCLUSION

Applicant respectfully submits that the present application and all claims are in condition for immediate allowance and early notice to such effect is earnestly solicited. If, in the opinion of the Examiner, a phone call may help to expedite prosecution of this application, the Examiner is invited to contact the undersigned attorney at (512) 542-8530.

Please date stamp and return the enclosed postcard evidencing receipt of these materials.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Michael J. Smith', is written over the typed name and registration information.
